

# Jumper wire

## Product Application

For connections in telephone and electrical equipment.

## Standards

According to Telefónica requirements.

## Cable construction

Inner conductor	SN copper wire
Construction (mm)	0,50 o 0,60

## Making

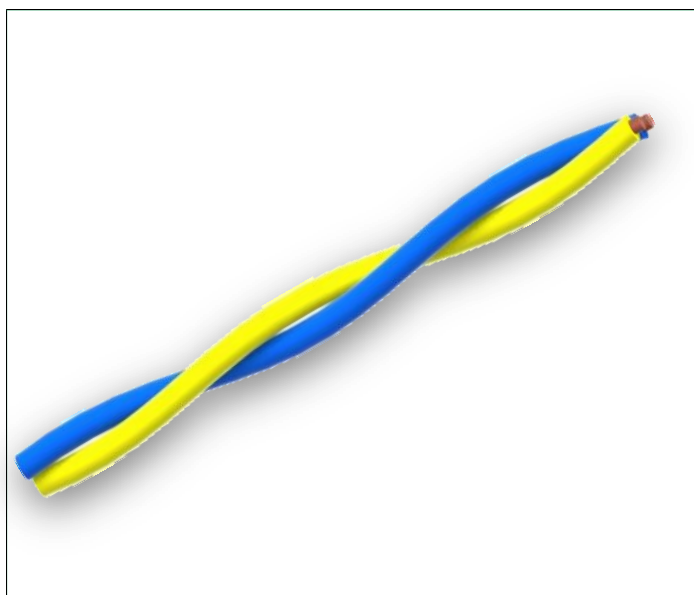

1 Pair

## Colors

Blue-Yellow

## Isolation

PVC

## Electrical Characteristics

Electrical Resistance (20°C) ( $\Omega$ /km.)	67,5
---	------

## Presentation

Reel 800 Mts
